Advance-Nilfisk Parts - Imagine how tedious it would be to tidy up your own house right after throwing a big party, without aid from cleaning equipment. Back in the day, the time carpets and upholstery had the dust beat out of them manually; brushes, brooms and cleaning cloths were the leading cleaning materials during that time.

The founder of Nilfisk-Advance, P.A. Fisker, started out as an electrical engineer who liked to work on electrical motors. After founding his company in the year 1906, he began to produce motors to drive drills, coffee grinders, fans and machine tools. Mr. Fisker's dream from the start was to own a global business selling merchandise worldwide.

The Nilfisk C1 was a remarkable breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by one individual. This creation came in a time where many cleaning equipment were huge and needed at least 4 operators, thus, the Nilfisk C1 transformed everything and evolved the method we clean forever. The mastermind behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide a brilliant solution to an ongoing crisis; things get filthy and should be cleaned frequently, without too much effort.

Gradually, the company Nilfisk-Advance grew throughout the years. In the early nineteen eighties the business developed more rapidly when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance forward within the business, aspiring to be an active global player in making professional cleaning equipment. Nilfisk-Advance is presently located in all parts of the world by steadily acquiring many smaller companies to be able to grow their product range and presence in new markets. They are really proud to provide a range of cleaning solutions to meet every requirement.
