

Lull Telehandler Part

Lull Telehandler Parts - Telehandlers by Lull have been providing load placement precision since the year 1959. The Lull telehandler can help make the job faster and easier, whether the work involves positioning heavy steel, landing loads on scaffolding or transferring loads. These units are available along with the patented Stabil-Trak stability system in order to ensure operator confidence.

The horizontal placement system by Lull is able to supply 80 inches of boom travel for precision placement functionality. There are also numerous optional Lull accessories for their telehandlers to be able to help finish any work.
