

Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience effectively developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to providing new design concepts and top quality in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They enjoy offering items which energize both their dealers and their partners and offer production gains to their clients.

The TREK team of workers enjoys new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' requirements and skills together with their understanding of cleaning applications, along with owners' strong desire to dramatically reduce expense through productivity gains.

The staffs at TREK and their dealer-partners are really devoted to having both parts and technical support obtainable when it is required. Their high service devotion is one of the core values in their customer service. Keeping their customers' cleaning equipment running and ready on a daily basis is top priority. The company's top of the line technology delivers reliable machinery which ultimately lowers your cost of cleaning. The price, the service and the product all work together to be able to make them an industry leader.
