

## Rockwell Part

Rockwell Parts - The company of AxleTech International is a large supplier of specialty vehicle drive-train systems and parts together with off highway vehicles. They take great pride in being a chosen supplier to their customer base. AxleTech strives to meet and exceed their customers' expectations for delivery, quality, service and technology. They believe in working within an environment which supports the highest integrity with empowered collaboration, together with a unrelenting pursuit of results.

AxleTech International falls under the umbrella of General Dynamics. They place great importance on being an environmentally conscious company and providing a safe atmosphere for their staff to work in. Moreover, they have applied many programs within the corporation so as to help articulate these values in their business policy. AxleTech happily shares this policy and welcomes interested parties to offer them with whatever comments or questions, as they are happy to share and promote this policy with a greater understanding of their efforts. They are extremely dedicated to improving and preserving the environment. AxleTech has an EHS program which not just protects the natural world but which likewise actively protects their neighbors and staff too.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in designing and manufacturing planetary axles used for both commercial and military applications. These applications range from airport ground support to construction equipment. AxleTech specially designs axles to meet certain application demands. They have over 1000 various axle specs in their existing offering. With over one hundred years of history and experience, AxleTech proudly supplies the most complete solution for any of your axle needs. The business is well known in various commercial and military applications. They offer complete axle assemblies for aftermarket replacement needs, together with servicing axle needs for OE production. Their high mobility ISAS have extra details that could be found in the "ISAS" product collection.
